RESPONSIBILITY MATRIX -TEMPLATE Applicable for Fit-Out Works

	SUBJECT	Remarks	Scope	Cost Born by	Scope	Cost Bo
Manage	erial Subjects					
1.1 Fac	Cilities					
	a Accommodation and Food				V	1
	b Site Offices for Subcontractor Management & Site Technical Staff				V	1 1
					,	'
	c Warehouse for use of the Subcontractor				1	1
	d Workshop for use of the Subcontractor				1	7
	e Emoty Yard for Warehouse & Workshoo f Dinina hall (with furniture)				V	1 7
10 5.4	g Security of the Subcontractor's construction site				√	1
1.2 300	a Work Permit & Resident Permit & Reentry Visa & Business Visa				1	1 3
	b Taxes with related Personnel Salary				V	1 1
	c Air Fare - International Transportation				V	1
	d Personnel Transportation e Emergency Health services - within construction site		2/	- 1	√	7
	f Health services - out of the construction site		٧	ν	V	1
	g Salary of the Subcontractor's Personnel				V	1
	h Insurance i Indemnity of the Personnel				1	1
	j Saudization (According to local laws)				√ √	1
	k all other expenses and payments to the employees of the Subcontractor				V	1
1.3 Gud	arantees and Insurances					
	a Performance Bank Guarantee b Advance Payment Guarantee			10 N/		
	c Retention from Interim Payments			10	%	
	f Insurance of the Subcontractor Equipment & Vehicles g Transportation Insurances for Subcontractor Equipment & Vehicles				1	1
	h Automobile liability				7	1
	i Workmen compensation				Ż	L
Logistic						
	manent Materials					
	a Supply of Permanent Materials with site delivery				√	1
	b Wastage of Permanent Materials more than 3 %	·			1	\ \v
						V
	d Protection of executed works under S/C SOW				1	1
2.2 Wor	rkmanship					_
	a All type of Workmanship as defined in SOW				√	٧
	c Erection & movement & dismantling of work scaffolding		V	1		
2.3 Tom	an army Madadala					
	nporary Materials All temporary materials needed for the Subcontract Works (including delivery to				,	
	d All remporary materials needed for the Subcontract Works (including delivery to the site)				1	٧
	d All temporary materials needed for the Subcontract Works (including delivery to				1	\ \
	$\label{eq:delivery} \mbox{d} \ \mbox{All temporary materials needed for the Subcontract Works (including delivery to the site)}$				1	√
	d All temporary materials needed for the Subcontract Works (including delivery to the site) chinery & Equipment for the Subcontractor's usage				√	V
